# AGENDA

**“For what the world needs are hordes of Catholic men and women, leaving your halls of learning ready to fight the good fight – to pay taxes properly, to not bribe, to speak against corruption, to create jobs and pay living wages, to provide quality goods and services, to not steal nor cheat, men and women whose hearts and minds are oriented towards the alleviation of poverty, to be good Catholic business people. The time to create these people is when they are in our schools.”**
